## 8 Cents

Eight cents a pound is what a young woman paid for twelve pounds of flesh.

She was thin and weak and paid one dollar for a bottle of Scott's Emulsion, and by taking regular doses had gained twelve pounds in weight before the bottle was finished.

Eight cents a pound is cheap for such valuable material. Some pay more, some less, some get nothing for their money. You get your money's worth when you buy Scott's Emulsion.

## Junior L. T. L.

On last Saturday afternoon the W. C. T. U. entertained the members of the Junior L. T. L. on the cool spacious shady lawn of Mrs. Sallie Mabrey, who not only so kindly offered her lawn but in a number of other ways assisted in making the occasion a truly delightful one.

By three o'clock almost all of the sixty members had assembled and with some of the W. C. T. U. to suggest and even lead in the games which children so much enjoy; their merry shouts and happy laughter floated out like sweetest music on the breeze, causing the eyes of passing travelers to brighten with sympathetic smiles as they exchanged significant glances which seemed to say, "Well, the children are out for a good time sure."

After they had thus been entertained for over an hour refreshments consisting of ice-cream and cake were served.

Just before the little guests departed an opportunity was given them to express their appreciation of the afternoon's pleasures by a vote, and the full round hearty "Aye" that swelled from each young throat left no room for doubt as to the enjoyment of the occasion.

As they bade us adieu and started homeward our eyes were filled with tears even while smiles lingered on our lips as we prayed in our hearts: God help us to guide and teach them to become the strong, unselfish, brave, patriotic and pure men and women needed to aid in the overthrow of our country's greatest foe.

## More Fruit! More Money!

Eleven Receipts for Spraying Fruit Trees, neat print, for 16c. in stamps. JOHN W. MOORE, KEMPTON, ILL.

Miss Ida M. Snyder.

Treasurer of the Brooklyn East End Art Club. "If women would pay more attention to their health we would have more happy wives, mothers and daughters, and if they would observe results they would find that the doctors' prescriptions do not perform the many cures they are given credit for."

"In consulting with my druggist he advised McEure's Wine of Cardui and I have every reason to thank him for a new life opened up to me with restored health, and it only took three months to cure me."

Wine of Cardui is a regulator of the menstrual functions and is a most astonishing tonic for women. It cures scanty, suppressed, too frequent, irregular and painful menstruation, fainting of the womb, whites and flooding. It is helpful when approaching "menstrual blood," during pregnancy, after childbirth and in change of life. It frequently brings a dear baby to homes that have been barren for years. All druggists have \$1.00 bottles of Wine of Cardui.
